District 3

Vacant. Nothing to report this quarter.

District 4

District Director: Damon Friedman | Report submitted: September 14, 2026

District 4 continued to increase awareness of FVF, strengthen relationships across Florida's military and veteran community, and connect veterans with resources. In July, the director filmed two videos for FVF. He also participated in the USSOCOM Warrior Care Program Summit, engaging with military, veteran-service, and community stakeholders supporting wounded, ill, and injured service members, veterans, and families.

Through SOF Missions, the district supported collaboration with the Florida Department of Veterans' Affairs (FDVA). SOF Missions hosted veteran clinics in August and September. At the September clinic, FDVA representatives provided benefits information and met individually with participants to answer questions about claims, benefits, and available resources. SOF Missions also held its 10th Annual Emerald Coast Gala, where the FDVA Executive Director was a guest speaker.

No formal FVF events were reported as attended during the quarter. The director continued promoting FVF and advocating for Florida veterans through other veteran-focused engagements and community activities. No event photographs or support requests were reported; additional comments were listed as N/A.

District 5

Vacant. Nothing to report this quarter.

District 6

Nothing to report this quarter. No District 6 quarterly activity report was included in the materials received.

District 7

District Director: Donald Lanman | Report submitted: October 19, 2026

Reporting-period note: The submitted form has Q1 checked, not Q3. The director described this as the first report using the form and referenced August–September in the reporting-period notes, while the event list includes dates from January through August. The information below is retained as submitted and should be confirmed before being treated as a Q3-only report.

The director reported providing monthly reports to the Executive Committee beginning in January 2026 and regularly attending American Legion, VFW, Gold Star, and other local veteran-organization meetings. Listed activities included promoting FVF, discussing the dental program, supporting grant delivery, and securing a $1,000 donation.

Date not specified	WW2 Veteran Honored	West Palm Beach	100	Speaker.

The director noted that the reporting form was cumbersome to complete. No event-photo count or support request was provided.

District 8

District Director: Angel L. Figueroa | Report submitted: October 7, 2026

District 8 continued supporting veterans and families by sharing information, making referrals, and helping connect individuals with County and veterans' services related to benefits, health care, financial assistance, and other programs. The district provided information about FVF's Dental Program, including eligibility and available assistance, and FVF's Emergency Financial Assistance Program through Project VetRelief, which may assist eligible veterans with rent, utilities, transportation, and other unexpected expenses. Outreach also included guidance on gathering documentation for VA claims, understanding the claims process, and connecting veterans with accredited representatives when needed.
